

NGO PIN NEPAL について

設 立 1992 年 9 月

所在地 Chunnepakha galli, Kalimati, Kathmandu ward no.15 Nepal

使 命 貧しい家庭の子供達、虐待を受けている子供達、十分な医療を受けることができない人たちなどが健康で安全な生活ができるようにすることです。
具体的には、生活の場を提供し、スキルを身につけさせ、収入を得て安定した生活が送れるようなサポートや、医療の行き届かない村へのより良い医療の提供などを行っています。

主な活動

① PIN HOUSE

1992 年に開設。現在 39 名が PIN HOUSE で生活。卒業して家庭に戻り結婚して幸せに暮らしている子供達、自分でビジネスを始めた子供達や、看護・美容・学校の先生・織物・洋裁・民族舞踊などの分野で活躍している子供達もいます。22 年間に 1200 名が PIN HOUSE を利用しました。

② PIN Reproductive Health Clinic

週に 2 回、医師やナースらが パタン・テチョー村を訪れヘルスチェックや無料の投薬などを行っている。村のヘルスセンターには医者是不在で町の病院は非常に遠いのです。14 年前から実施しています。

登 録 Chief District Office (CDO)

PIN Nepal

PIN Nepal runs a shelter for girls at Kalimati Kathmandu where currently 39 girls live. They go to public school and according to their age and capacity, they are in various grades from 4 to 10, the 10th grade is the final year for high school in Nepal.

Following are some pictures from PIN Nepal

Girls enjoyed being with a Japanese visitor

The girls inside a bus on their way to participate in a health camp organized by PIN Nepal during 2013 Dec. PIN Nepal is organizing such health/work camps every year starting from Dec 26 till the beginning of January. This is a learning experience for them to work in groups and help the adults carry out the voluntary work. They help in writing down the names of people coming to have their health check up.

The girls also help the cook in sorting and cleaning vegetable to cook for all the participants and also help in serving food etc.

The Dashain festival in early October, they lined up to receive Tika the red mark on forehead from the elders as a sign of good luck for the days to come.

Girls were happy with the Tika and good luck wishing from elders. Jamuna, the girl with glasses has been graduated from PIN Nepal and reunited with her uncle

family but come to PIN Nepal everyday as a teacher to teach basic reading writing to younger children. She was very sick and could not even walk when she came in PIN but later she could walk and help the necessary works in the shelter. She being differently able child we also receive her even after she got reunited with her family. The other girl also had already appeared in the final examination of High school and will leave PIN House to continue further study and to work to support her immediate family members.

Saraswoti now learning to take picture

Two sisters, the one with black sweater Parbati was one of the first child entered PIN House almost 20 years ago. She stayed in PIN House for more than 8 years and then her parents got her back with them. She got married and now a mother of 2 children. While she was in PIN she joined tailoring class learn to make clothes. Now she had opened her own tailoring shop where she takes order to make clothes. Not only that she became a tailoring Master that she teaches others to do same as herself.

A student looking forward for becoming a doctor

Hers is the story of another girl wanting to continue to study to become a medical doctor. Her name Megha Patrabansh now studying 12th grade. Once she completes 12th grade, she can join the medical class. She is one of the brilliant girl in her school not only in her study but in various extra curricular activities. She wanted to become doctor mainly to serve the poor people such as those coming in PIN Nepal. Here are some pictures

The girl just received an award for being a good intelligent student in school

The girl Megha has been called upon to give a speech on behalf of students in the school

Megha was honored and the school made the chart to congratulate before she departed to India as she was selected to participate in Arts Workshop because she became first in the Art competition in 2012.

Besides she some disabled persons much older than her age in volunteering to write the answer during examination when the older blind person have to sit in for the examination together with the other people. There are other activities she volunteers when her teachers ask her even from the school she already graduated.
